### Levels of Care

*Individualized care to keep you safe, happy and healthy.*

Each Assisted Living Resident at Bentley Commons enters with a full assessment and discussion with our Director of Nursing on what care needs they require or wish to receive. Based on this discussion and assessment, an Individual Care Plan (ICP) will be developed. Our Assisted Living Residents are able to maintain as much independence as they would like, while getting the assistance they need.

<b>One-Time New Resident Service Fee.....</b>	<b>\$2,500</b>
